

**FRAMING THE QUESTION FOR:**

---

STUDENT NAME

**INITIAL REFERRAL QUESTION**

Which IEP goal is your student having difficulty meeting?

What is the task the student needs to accomplish?

In what environments?

What is the student's present level of performance on this task?

Are there environmental concerns or other issues that need to be taken into consideration?

Are there specific tools or strategies that a team member believes might be of help with this functional life skill?

Attach data to show current strategies/modifications/interventions are not working.

**REFERAL QUESTION**
